SIGHTING OF UNIDENTIFIED PHENOMENA QUESTIONNAIRE

THIS QUESTIONNAIRE HAS BEEN PREPARED SO THAT YOU CAN GIVE THE U.S. AIR FORCE AS MUCH INFORMATION AS POSSIBLE CONCERNING THE UNIDENTIFIED PHENOMENON THAT YOU HAVE OBSERVED. PLEASE TRY TO ANSWER ALL OF THE QUESTIONS. THE INFORMATION YOU GIVE WILL BE USED FOR RESEARCH PURPOSES. YOUR NAME WILL NOT BE USED IN CONNECTION WITH ANY OF YOUR STATEMENTS OR CONCLUSIONS WITHOUT YOUR PERMISSION. RETURN TO AIR FORCE BASE INVESTIGATOR FOR FORWARDING TO FTD (TDETR), WRIGHT-PATTERSON AFB, OHIO 45433, IAW 80-17. No one else either in the park or in Kirksville seems to have soon the objects. Object # 2891 could have decayed at or near this time but would not have been going NW. Local airports were asked if they had any aircraft in the area, particurlary-ones towing advertizing gimicks, however none of the airports responded to the letter. The original twin reported 7 aircraft in the area, all flying low level. Nothing was reported to the volunteer 2 flight officer network. Because of the conflict in duration, number of objects and because witnesses later responded negative on aircraft in the area, the case is being carried as conflicting data.

MEMO FOR THE RECORD

II30 hrs 23 Mar. 68

Called He said that he would complete and return our form and gave me the following info.

TIME: About I500 hrs 20 Aug. 67

NO. OF OBJECTS: 2

DURATION: Each ab out I min

DIREDTION: He wasn't sure

OBJS .: One seemed square and one seemed round.

Size; Larger than a match head at arms length.

Comments: One obj. dissappeared (over the horizon?) and than another came over. He does not have any idea of what it could have been. Two of his aunts and two of his cousins also saw it.

No airplanes were in sight at the time. Also he gave corrected address for Mrs. Shipley.

Mr. Project Director Volunteer Flight Officer Network United Airlines Stapleton International Airport Denver, Colorado 80207

- 1. The Aerial Phenomena Office is in receipt of an unidentified flying object (UFO) report for 20 August 1967 from Kirksville, Missouri that is similar to that of satellite decay or possibly a meteor of long duration. The observer indicated that the object moved roughly westward, but was unsure of the exact time of the sighting. If it is possible, we would like to know if you received any reports between 2300Z and 2330Z on 20 August 1967.
- 2. Thank you for your continued assistance and effort.

Hector Quintanilla, Jr., Major USAF Chief, Aerial Phenomena Office Aerospace Technologies Division Production Directorate

Dear Major Quintanilla:

I am writing in reply to your letters of May 6th and May 7th.

In checking the VFON pilot report files I find no report for August 20th 1967 between the hours of 2300Z and 2330Z.

There is likewise no report for October 6th, 1967 anywhere near the Northeast area of the U.S.A.

A continous check of the March files still show no report for March 24th, 1968 between the hours of 0103Z to 0115Z.

I am very sorry that I have been unable to help you with any of the above requests. Please be sure to write if there is anything further that I might be able to help you with.

Sincerely Yours

H. E. Roth, Project Director Volunteer Flight Officer Network

- 1. The Aerial Phenomena Office is in receipt of an unidentified flying object report from the Thousand Hills State Park which occurred on 20 August 1967 at approximately 5:15 pm.
- 2. Three different objects were observed; the first was round and aluminum colored; directly behind it came a two piece object, the two pieces being connected by a cord of some kind. The third object was much like the first.
- 3. Did you receive any reports of unusual objects for this date? We would appreciate your comments as to a possible cause for this sighting.
- 4. Thank you for your assistance on this matter.

UFO Observation, August 20, 1967

Chief, Park Police
Thousand Hills State Park
Kirksville, Missouri 63501

The Aerial Phenomena Branch is in receipt of unidentified flying object (UFO) reports that occurred over the Thousand Hills State Park on August 20, 1967 at approximately 6:17 pm. The witnesses stated that two square-shaped objects connected together with some type of cord were sighted coming from the southeast. The objects traveled toward the northwest and disappeared in a matter of seconds. We would appreciate any information you can provide which would enable our analysts to determine the cause of this sighting. Possibly, one of your men reported a similar experience or investigated a report similar to this.

1. The Aerial Phenomena Branch is investigating an unidentified flying object report that occurred over Thousand Hills State Park on August 20, 1967 at approximately 6:17 pm. The observer stated that two UFOs passed over in a matter of seconds. One was long, slim, and cigar shaped; the second, was two square shaped objects connected together by some type of cord.

2. Information on whether there were any aircraft from your air-field in the area, particularly advertising planes, would be helpful.
